1.1 Background and Motivation

Why to give a presentation:

- show the main arguments and results of your work
- produce interest to read the full paper/report
- goal: be educational and also entertaining

Advantages of using $\text{\LaTeX}$ with the beamer package:

- very easy if the report is already written in $\text{\LaTeX}$
- different themes which are usable in practice
- possibility to create handouts using *beamerarticle*
